The Board of Management completed the Annual Child Protection and Anti-Bullying reviews.

The Board of Management approved the tender document for the renewal of service provision for after-schools care services in the school. It is good practice to tender for such services every number of years, and the Board of Management is now undertaking this process.

The Board of Management wished to thank and acknowledge the work of the term of all those members who are finishing, including the chair, teacher nominee and parent nominees.

The Board of Management reviewed the fundraising report for October please see below and thanks the school community for contributions made during the Book Fair and Envelope Day and wishes to thank the PTA for their organisation and management of the Book Fair.
